

DEAD DOLL

SYNOPSIS

When a frustrated sculptor strangles his girlfriend and crafts her body into a lifelike doll, her spirit lingers within the confines of her new body. From beyond the grave she plays upon the fantasies of others, seducing everyone that crosses her path.

The dead doll then lures them to their deaths as she travels from owner to owner leaving a path of blood and destruction in her wake.

Not until she returns to the embrace of her original killer does the cycle of violence come full circle. But will the dead doll ever be able to satisfy her lust for blood?
